Welcome to Warrnambool Club

Presidents Message

Welcome to Round 4 of the 2024 DPE Victorian Country Series, hosted by the Warrnambool Kart Club!

It brings our club members great pleasure to see the Victorian Country Series return to our seaside track in Warrnambool for what is undoubtedly our biggest event of the year.

On behalf of the Warrnambool Kart Club, I would like to extend a warm welcome to all competitors, officials, volunteers, sponsors, and their families. Your presence and support are what make this event truly special.

A special thank you goes out to the Victorian Country Series organizing committee, whose dedication and hard work behind the scenes have made this weekend possible. We also want to acknowledge our local members, who have contributed tirelessly to the organization of the event, as well as the preparation of the canteen, circuit, and surrounding areas.

Finally, if you're here to check out the action for the first time, we hope you catch the karting bug and find yourself on track soon!

For more information on how to get involved in this exhilarating sport, please visit the Karting Victoria website.

Enjoy the event, and may the best racer win!

Matt Boyle
President | Warrnambool Club

Warrnambool Kart Club

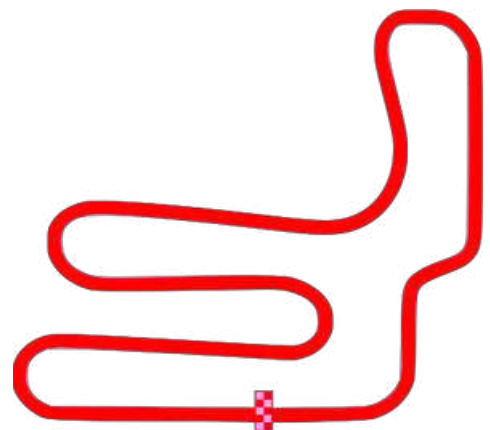

In May of 1994, the club purchased a site of 12 acres situated at Buckleys Road, Lake Gilliar. Construction of the track started in early 1998 with the limestone base being laid.

In December 1998, the curbing for the track was poured in preparation for the hot mix to be laid. The hot mix was laid in mid-August 1999 and the track was first driven on in November 1999, with our first official race meeting was held on January 16, 2000.

Our Club days are usually held on the last Saturday of the month.

The track is located at 162 Buckleys Rd Lake Gilliar. The circuit is 747m in length and 8m wide and drivers normally race in an anti-clockwise direction, however the track is registered to race in both directions.

The track has a grid capacity for 28 karts and has three Alfano magnetic strips for timing purposes.

THANK YOU TO OUR SERIES SPONSORS

Wimmera Kart Racing Club

330 metres of new sub-base and track was added during our extension bringing our new overall length to 635 metres.

The new layout is more enjoyable for drivers providing a fresh challenge and less fatigue.

Our new exciting circuit has a combination of fast straights and stop-go corners with 180 degree bends which makes for good breaking duels We feel we've created an additional three opportunities for drivers to get creative in setting up passing moves.
